

WARNING: Cancer and Reproductive Harm - www.P65Warnings.ca.gov

Attention California Residents:

California's Proposition 65 entitles California consumers to special warnings for products that contain, or will expose consumers to chemicals known to the state of California to cause cancer and birth defects or other reproductive harm. We care about our customers' safety and hope that the information below helps with your buying decisions.

The general Proposition 65 notice is as follows:

Old format

WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

And

New format

 **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov

or

 **WARNING:** This product can expose you to chemicals including [name of one or more chemicals], which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

In addition, there are specific warnings for the following specific product(s)/product categories:

Lead Acid Batteries

California requires the following notice:

WARNING: Battery posts, terminals and related accessories contain lead and lead compounds, chemicals known to the State of California to cause cancer and reproductive harm. Batteries also contain other chemicals known to the State of California to cause cancer. **Wash hands after handling.**

Power Tools, Hand Tools, and Accessories

California requires the following notice:

WARNING: Some dust created by power sanding, sawing, grinding, drilling, and other construction activities contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. Some examples of these chemicals are:

- lead from lead-based paints,
- wood dust,
- crystalline silica from bricks and cement and other masonry products, and

- arsenic and chromium from chemically treated lumber.

Your risk from exposure to these chemicals varies, depending on how often you do this type of work. To reduce your exposure, work in a well-ventilated area and with approved safety equipment, such as dust masks that are specially designed to filter out microscopic particles.

Outdoor Power Tools

California requires the following notice:

WARNING: Some dust contains chemicals known to State of California to cause cancer, birth defects or other reproductive harm. Some examples of these chemicals are:

- compounds in fertilizers
- compounds in insecticides, herbicides and pesticides
- arsenic and chromium from chemically treated lumber

To reduce your exposure to these chemicals, wear approved safety equipment such as dust masks that are specially designed to filter out microscopic particles
